

PreciSSlon

Preventing Surgical Site Infection across a Region

We're delighted to celebrate these amazing results from the project...

Royal United Hospitals Bath
NHS Foundation Trust

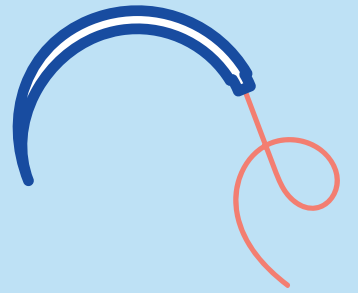

Compliance with the PreciSSlon bundle elements at RUH:

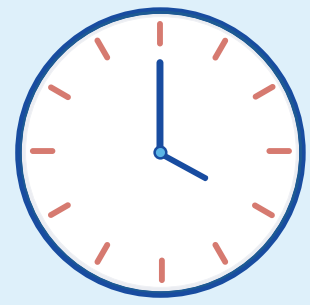

99%
Chlorhexidine

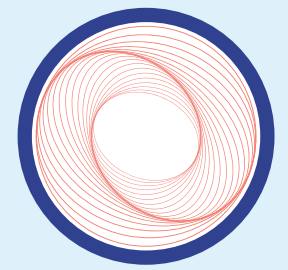

78%
Antibacterial sutures

90%
Second dose antibiotics after 4 hours

94%
Wound protectors

Figures from 172 patients

Thank you for all your help in making PreciSSlon such a success!
