

HELM

Health Economics Leadership Management

If you are interested in health economics, transformational leadership, collaborative management, efficient working and entrepreneurship then you are an ideal candidate for The HELM Programme.

£395.00 for all NHS staff employed within Health Education England working across the South West.

£595.00 for those outside the area.

Limited numbers of bursaries are available, at the discretion of the Course Director.

HELM Programme 10
(2020/21) to be held online.

- 9th and 10th December 2021 - Module 1
- Optional half day workshop on project management – 0.5 day
- 27 January 2022 - Module 2
- 10 March 2022 - Module 3

*The course dates may be subject to change

"It is one of the best and most motivating courses I have done in recent years.

There was a great breadth of topics and the quality and level of guest speakers was very impressive."
